

MORE MUSIC FOR DISTANCED CHOIR

Who knew we would still be in lockdown after all this time? Since the only option currently open to us is online rehearsals, I have selected another set of music for us to work on in our Zoom rehearsals, supported by online rehearsal aids of audio, video and MIDI tracks. The booklets are professionally printed on good quality (120gsm) paper with card covers, and are very good value. Alternatively, you can download and print your own if you wish.
